

Electrical Safety Recall

EXTERNAL POWER ADAPTER FOR PURE-FI ANYTIME™

As a leading worldwide manufacturer of personal peripherals, Logitech prides itself on supplying quality products. We have identified a potential defect in one of our products and we are conducting a voluntary recall in the best interests of our customers.

Product: External power adapter of the Pure-Fi Anytime™ alarm clock for iPod/iPhone product with date-codes 0924, 0926, 0928, 0929, 0932 supplied since 1 August 2009.

Possible defect: The consumer may receive an electric shock as the plastic housing of the power adapter may come loose exposing internal circuits.

Consumer action: If date code is same as listed above then contact customer support at 1800 025 544 for replacement.

Market coverage: Australia.
