

Product Safety Recall

Do you own this product?

Supercheap Auto – SCA Rust Converter 250ml

A concentrated phosphoric acid-based rust converter chemical.

Product Code: 425360

Batch Number: 22091335

Check printed label on the bottle side to locate the batch number.

Dates sold: 1 September 2022- 26 May 2023

Why the product is recalled: Affected bottles may crack and allow the product to leak.

Hazard: There is a risk of burns to skin, eye and breathing irritation, and damage to property if exposed to the leaked product.

Consumers are advised to immediately stop using the product.

Place the affected product in a securely fastened plastic bag, and then place in a secondary container.

When handling the product, consumers should wear gloves and eye protection. Consumers should thoroughly wash their hands after handling the product, even if there is no obvious sign of leakage.

Return the packaged product to your nearest Supercheap Auto store for a full refund.

For further information, contact SCA by phone on 1300 175 010 Monday – Friday from 7am to 7pm and Saturday from 8am to 6pm (AEDT) or visit the [SCA website](#).
