

Product Safety Recall

XTM 150PSI 250LPM Dual Air Compressor

Sold at Supercheap Auto and BCF stores (online and instore) between 1st February 2021 to 20th of January 2022.

Product description: An orange and black dual pump portable air compressor. SKU 606623.

Defect: An internal fault with the control relays may cause the compressor housing to melt or catch fire.

Hazard: If the control relays fail, the product may catch fire, increasing the risk of serious injury, death or property damage.

What to do: Stop using the air compressor immediately and return it to your nearest Supercheap Auto or BCF store for a full refund.

Contact details: Please call the customer care centres (7 days a week, 9am - 4pm AEST) or visit the websites.

Supercheap Auto: 1300 175 010 or www.supercheapauto.com.au

BCF (SRG Leisure Pty Ltd): 1300 880 764 or www.bcf.com.au
