

GAS SAFETY RECALL

Greengear LPG Generator

IDENTIFICATION:

This recall applies to the following three models

Greengear LPG Generator 3kW - Model GE-3000

Part Number 2701003

Greengear LPG Generator 5kW - Model GE-5000

Part Number 2701005

Greengear LPG Generator 7kW - Model GE-7000

Part Number 2701007

DEFECT: The LPG Generators are not assessed and certified as safe for use in Australia.

HAZARD: Risk of carbon monoxide poisoning if the portable LPG Generator is used indoors or in an unventilated area, which could result in serious illness, injury or death.

ACTION REQUIRED: Consumers should immediately disconnect the unit and contact Bromic on 1300 276 642 or at <https://bromicplumbing.com/contact-us> to register their details.

Bromic will then arrange collection of the units and offer a full refund for the returned unit.

For Further Information

Contact Bromic Pty Ltd by phone on 1300 276 642 (Monday to Friday, 9am to 5pm) or via the website at <https://bromicplumbing.com/contact-us>
